About Us

Founded in 1992 and headquartered in Nigeria, Phillips Consulting Limited (pcl.) is a leading business and management consulting firm serving clients across Africa through offices in Lagos and Abuja.

We are a leading provider of transformation, technology, and outsourcing services.

Our staff represents diverse professional disciplines, ranging from business strategy, transformation & change, digital, information technology, digital and training. Our people are practitioners and professionals who combine in-depth consulting knowledge with leading industry experts - many having worked with leading international organisations and delivered successful outcomes across the public and private sectors

The Value We Bring

| Good understanding of the Nigerian Business Environment | Phillips Consulting Limited (pcl.) has, over the past 30 years, built up a robust understanding of acceptable business practices and procedures for executing projects in Nigeria, as well as an understanding of the reputation and strengths of key players and stakeholders in the Nigerian Market. |
|--|--|
| Strong Corporate and Public Sector Network | We work with private and public sector clients, including multinationals and leading Nigerian companies. We also work with Ministries and Government agencies at both Federal and State levels. This diverse client base has enabled us to develop valuable relationships with key decision-makers across various sectors. |
| Talent Pool | Phillips Consulting (pcl.) anchors its strength on the selection and development of its multidisciplinary consultants. The firm has highly experienced and dynamic consultants who are fully conversant with leading business practices. Our consultants are at the cutting edge of trends and developments in their respective fields. |
| > Relevant Knowledge | We have a track record of successful execution in organisational restructuring, transformation, implementation/execution support, project management, change management, post-merger support, business process development, corporate governance, digital, process automation, learning, and technology deployment. All of which demonstrates our versatility. |

- Our steadfast dedication to delivering the highest calibre of professional development has consistently resulted in outstanding outcomes for individuals and organisations.

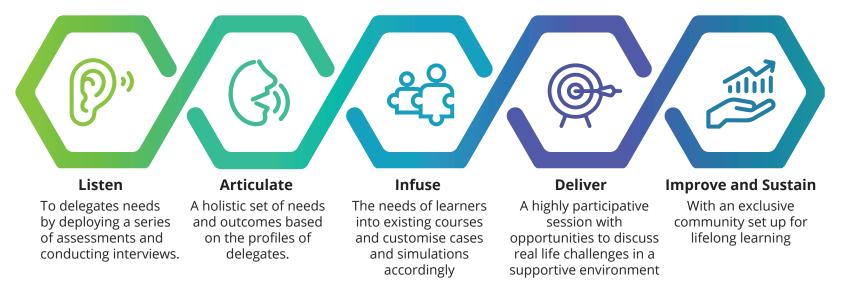

Pcl. Learning Approach and Methodology

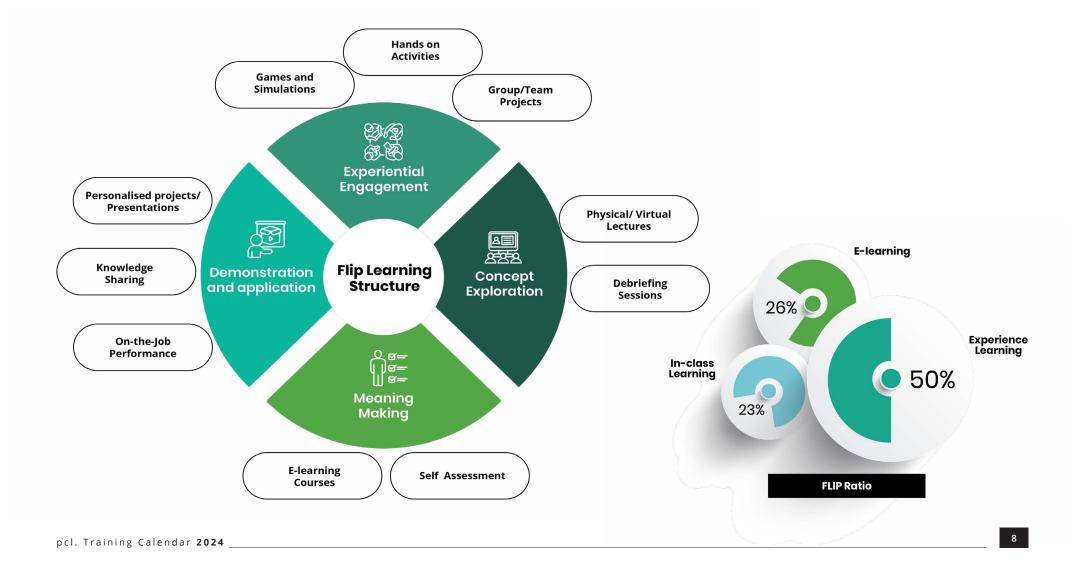

Our Learning Approach

Our five-Step methodology will ensure that all our courses are engaging and relevant to the job roles of our delegates:

- As the business world evolves, one undeniable truth remains: for any organisation to thrive, it must have a workforce of adept individuals exhibiting the appropriate behaviour and mindset.
- At pcl., we approach learning using our five-step methodology to ensure a comprehensive and immersive experience. These steps are meticulously designed to foster a deep understanding, critical thinking, and practical application of the subject matter.
- Phillips Consulting is committed to a purpose-driven learning approach that guarantees immersive and value-driven training. This approach integrates a diverse range of simulation exercises and engaging activities specifically tailored for adult learners, ensuring optimal retention of knowledge and skills.

Our Flipped learning Methodology has been proven to create an immersive learning experience, improve subject mastery, and boost participants' performance.

Learning on the Metaverse

• By harnessing this learning methodology, we aim to empower participants with the skills, knowledge, and learning practicality essential for success in the constantly evolving business world.

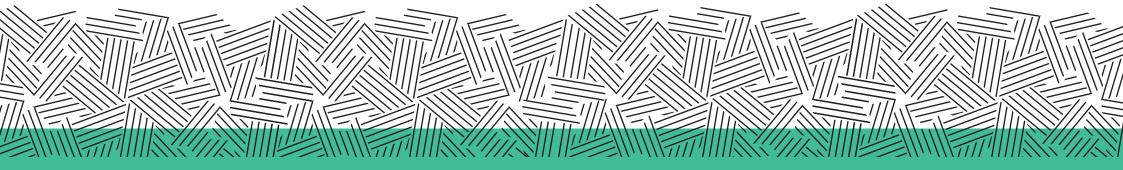

Learning and Leisure.

Learning does not always have to be just formal! Learning can be fun and a great way to relax, socialize and network. pcl. introduces at the end of each training week, its outdoor learning with leisure activities.

Here are some of the fantastic recreational & relaxation activities, we have planned out just for you!

We are certain you will have an exquisite learning experience

Schedule **14-18 October 2024 (Open Session)** Please contact us for in-plant session

Creative Leadership Strategies for the Future of Work Programme

As global events and technological advancements have combined to reshape our lives and work successfully, leading a company into the future necessitates more than a strategic plan. The increasing complexity requires leaders to evolve in lockstep with the world of work and the war on talent, as what was once considered core leadership skills for the workplace are fast becoming obsolete.

We have partnered with the Intellectual Forum: Jesus College in the University of Cambridge to deliver the Creative Leadership Strategies for the Future of Work, a four-day executive leadership program designed to equip business leaders and executives from various industries and sectors with the tools and frameworks needed to navigate change in all aspects of the workplace and to provide them with an immersive learning experience.

Date: 10-13 June 2024 18-21 November 2024 Location: United Kingdom Training fee: \$10,000

What delegates will gain from our Creative Leadership Strategies for the Future of Work Program:

- Access to international best practices and insights on navigating the workplace.
- Discover how to use technology-driven and human-centred models to reimagine the future of work.
- Gain a thorough understanding of the trends influencing the future of work..
- Learn business transformation strategies to create a personal blueprint for a future-focused workplace.
- Connect with a diverse international group and expand your professional network.
- Gain access to the world-class faculty at Jesus College in the University of Cambridge and Phillips Consulting's cutting-edge thinking and insights.
- Certificate from the Intellectual Forum Jesus College in the University of Cambridge.

5 days

The Global Executive Leadership Masterclass, Phillips Consulting & Howard University School of Business, Washington DC, USA.

Today's disrupted business world demands next-level global leaders committed to stepping up, reimagining the future, and delivering excellence.

The New Global Executive Leadership Masterclass is designed to provide executives worldwide with a transformational 5-day integrated executive experience to reimagine their approach to leadership, study emerging global business models, and create a new pathway for next-level impact.

The learning interventions will dovetail to the advanced mastery of core competencies of leading, strategising and performance management tools, which will instigate viable decisions to drive initiatives forward and accelerate positive impacts in organisations.

This program will be delivered by a world-class faculty and executive instructional team from the Howard University School of Business and Phillips Consulting, two of the world's leaders in executive development and corporate education.

- Certificate from the Howard University School of Business
- Gain valuable insights and perspectives that will contribute to their long-term success as leaders.
- Opportunity to network with a diverse cohort of high-level executives from various industries and regions.
- Insights into the nuances of conducting business on a global scale, allowing you to navigate the complexities of international markets confidently.
- Exclusive alumni network, providing ongoing opportunities for learning, collaboration, and professional development.

The Advanced Organizational Resilience Programme

Organizations at all scales and in all sectors face growing risk and organizational resilience challenges like never before. An ever-growing number of challenges, compounded by the speed of technological change, climate change, cyber threats and evolution all act together to increase these challenges.

Building Organizational Resilience provides business leaders with a practical approach to assess and build organizational resiliency.

This programme provides cutting-edge strategies to fortify your organization against disruptions and uncertainties, ensuring its continued growth and success. Our distinguished faculty of industry experts will guide you through a transformative journey, equipping you with the insights, tools, and leadership prowess to foster resilience, drive innovation, and seize opportunities in any scenario.

International Run Date: 8-12 July Location: DC, USA Training fee: \$6750

Local Run training date: 5-9 August Location: Whispering Palms, Lagos State

What delegates will gain from our The Advanced Organizational Resilience Programme:

- Knowledge within strategic areas of resilience and business continuity
- The ability to communicate fluently across functional boundaries
- Credibility within the resilience profession
- Effective action-based outcomes to advance organizational strategies
- The ability to network across sectors to gain transdisciplinary knowledge

Schedule 5-9 August 2024 (Open Session) Please contact us for in-plant session

The Leading Digital Transformation Strategy Executive Programme

To thrive while facing disruption at every turn, leaders must reinvent their companies again and again. Digital transformation strategies are no longer nice-to-have, they are required.

Digital transformation isn't solely reliant on adopting new technologies. It demands new ways of thinking about how business is done, who the work is done by, and the customer experience attached to it.

In this programme delegates will gain the skills to develop and implement a digital strategy within your organisation. Drawing on insights from pcl. Business faculty, industry leaders, case studies, and your peers, delegates will develop a robust understanding of digital cultures, foundations, and frameworks to craft their own transformational strategy.

International Run Date: 18-22 November Location: DC, USA Training fee: \$6750

Local Run training date: 24-28 June Location: Obudu Mountain Resort, Obudu, Cross River

What delegates will gain from our The Leading Digital Transformation Strategy Executive Program

- Explore digital disruption from the perspectives of strategy, organization, and leadership for the long term
- Strengthen your skills as a visionary leader by learning how to spot digital opportunities, develop strategies around them, and pitch them persuasively to key stakeholders
- Shift your mindset from traditional thinking on product- or service-based value creation and competition to a platform and ecosystem perspective, and understand the new set of strategic choices and tradeoffs they represent
- Deepen classroom learning and begin reimagining your business through daily faculty-led integration sessions

Schedule 24-28 June 2024 (Open Session) Please contact us for in-plant session

Harnessing AI for Breakthrough Innovation and Strategic Impact Program

Al is quickly becoming a critical tool in every industry. As artificial intelligence (Al) continues to improve, it's quickly becoming a part of everyday life, affecting much of what people do and how they interact as well as how businesses operate.

Harnessing AI for Breakthrough Innovation and Strategic Impact delivers a curriculum unlike any other — created and taught by renowned faculty. In this programme delegates will acquire a variety of viewpoints and ideas from top experts in artificial intelligence, strategy, innovation, technology, ethics, and other fields.

The curriculum has been carefully crafted to integrate corporate objectives and possibilities with technology, real-world applications, and possible outcomes.

International Run Date:13-17 November Location: South Africa Training fee: \$6750

Local Run training date: 1-5 July Location: Ikogosi Warm Springs Resort

What delegates will gain from our Harnessing AI for Breakthrough Innovation and Strategic Impact Program

- Gain a high-level understanding of key AI technologies and their applications.
- Understand how Machine Learning translates data into models that can make inferences.
- Discover best practices on how companies are currently using AI with case studies and industry guest speakers.
- Use design thinking methodology to develop potential AI applications for your organization that are strategically aligned with your business goals.

Schedule **1-5 July 2024 (Open Session)** Please contact us for in-plant session

Global Business Leadership, Terry School of Business, University of Georgia

As the workplace evolves, it is essential that leaders can adapt to the new demands and challenges. However, being a leader can be challenging with constantly evolving demands and the need to stay up-to-date with the latest skills and knowledge.

This program aims to help individuals transition from individual contributors to influential leaders by focusing on the processes and principles defining leadership excellence.

After completing the program, participants will have the skills and confidence to lead and motivate others, influence stakeholders, leverage resources, and enhance business processes to achieve strategic goals.

This program includes self-assessments, case studies, peer-to-peer learning, and action plans that can improve individual and team performance and be implemented immediately.

- Learn the process of user-centred instructional design.
- Learn the art of training large diverse numbers without compromising quality especially in virtual classrooms.
- Explore methods to help to master tone, facilitate exercises, hone speaking skills, and establish a safe, engaging learning environment for participants.
- Acquire learning transfer strategies for embedding the training into the participants' daily work routines.

Please contact us for in-plant session

Managerial Assessment Of Proficiency (MAP)

MAP (Managerial Assessment of Proficiency) is one of the most widely acclaimed and respected management assessment and skill building programs in the world! This is a proven tool for pinpointing and charting strengths and weaknesses, as compared to norms developed from over 80,000 managers and supervisors. MAP is the tool for identifying managerial strengths and developmental needs.

The program objectively measures an individual's competency level in 12 key managerial areas:

- Offers a comprehensive and integrated 5-step program including: Assessment, Interpretation, Planning, Development; and Reassessment.
- Covers three styles and values that influence an individual's effectiveness in using the 12 competencies.
- Gives the supervisor or manager personalized feedback on strengths and deficiencies.
- Guides each supervisor or manager through the Individual Development Plan (IDP) process.

Cost for two (2) days assessment Only

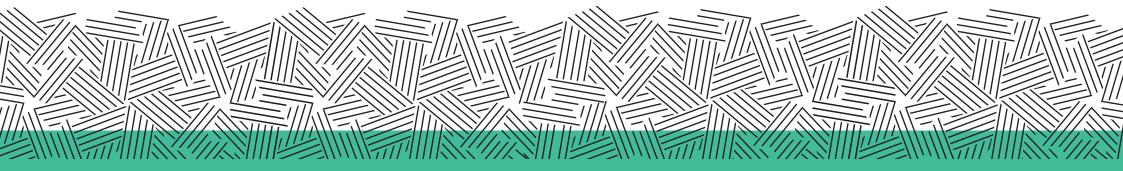

What delegates will gain from our MAP Course

- Identify their managerial strengths and areas that require improvement.
- Tie their weaknesses to operational efficiencies, organizational support, and skill development amongst others.
- Identify your management and communication style and its applicability to your team or organization.
- Build a clear personal action plan towards closing identified gaps.

Instructor / Virtual Led Courses

Instructor / Virtual Led Courses

At pcl. (Phillips Consulting Limited), we take immense pride in our innovative and dynamic approach to learning. We have structured the calendar to offer flexibility and accessibility, with training sessions available in both instructor-led and virtual formats. This approach ensures that all participants, regardless of location or scheduling constraints, can participate and benefit from our programs.

Instructor-Led Training (ILT) Sessions:

深

Our Instructor-Led training (ILT) sessions are designed to provide interactive and hands-on learning experiences to our participants. These sessions are led by seasoned experts in their respective fields who bring extensive industry knowledge and practical insights. These sessions are in person and take place at our designated training facilities, providing participants from various locations with the opportunity to meet and engage in an immersive and engaging learning experience.

Virtual Instructor-Led Training (VILT) Sessions:

₽ ₽

Our Virtual Instructor-Led Training (VILT) sessions provide you with the opportunity to receive professional training from the comfort of your desktop, laptop, or mobile device. We understand the importance of convenience and accessibility, and our VILT sessions ensure the same level of quality and engagement as our in-person training sessions. These sessions are delivered through a robust virtual platform that supports live video, chat, and collaborative tools.

Our training calendar has been designed to cater to the diverse needs of our participants. We have curated a range of programs across various domains and skill levels. Each program is carefully designed to align with organisational goals and individual career aspirations. Whether you are seeking to deepen your technical expertise, develop leadership skills or enhance your soft skills, our training calendar offers something for you.

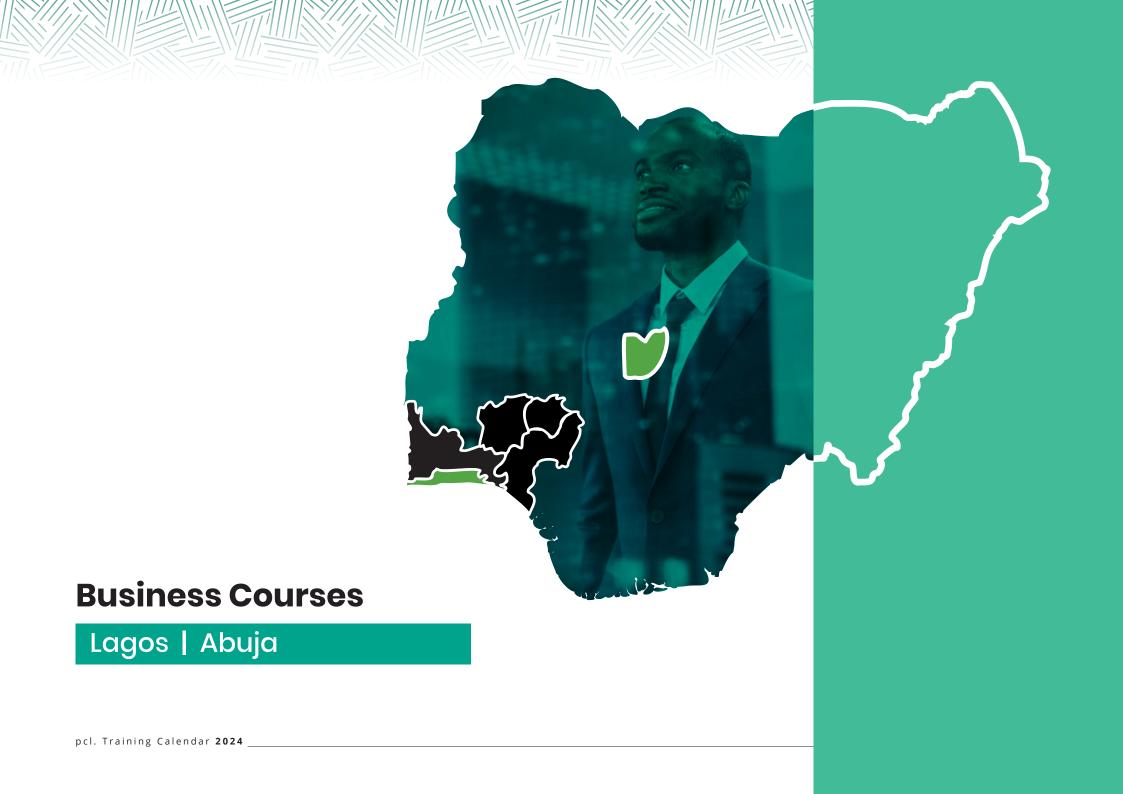

Should you have any questions or require further information, please do not hesitate to contact the Training Department. (pcltraininghub@phillipsconsulting.net)

International Programmes

At Phillips Consulting (pcl.), we recognise the profound impact that global learning experiences can have on individuals seeking to excel in their respective fields. We have invested significant effort in establishing strong partnerships with renowned global institutions to bring this vision to life.

Our partners include:

- Jesus College in the University of Cambridge
- Howard University, Washington DC
- Terry School of Business, Atlanta, GA
- University of Pretoria, Pretoria, South Africa

Through these partnerships, we offer business leaders and executives access to a wide range of world-class resources, including cutting-edge research, best practices, and expert insights, which allows them to stay at the forefront of industry trends, global developments, and the ability to navigate and shape the business landscape.
