# Creative Leadership Strategies for the Future of Work Programme

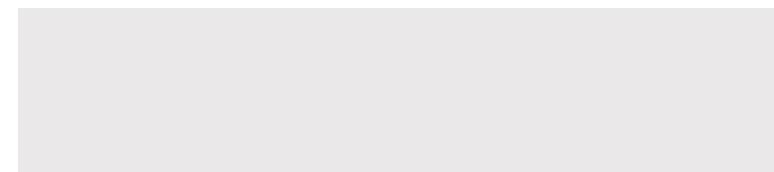

As global events and technological advancements have combined to successfully reshape our lives and work, leading a company into the future necessitates more than a strategic plan. The increasing complexity requires leaders to evolve in lockstep with the world of work and the war on talent, as what was once considered core leadership skills for the workplace are fast becoming obsolete.

We have partnered with the Intellectual Forum: Jesus College in the University of Cambridge to deliver the Creative Leadership Strategies for the Future of Work, a four-day executive leadership programme designed to equip business leaders and executives from various industries and sectors with the tools and frameworks needed to navigate change in all aspects of the workplace and to provide them with an immersive learning experience.

## What delegates will gain from our Creative Leadership Strategies for the Future of Work Programme

- Access to international best practices and insights on navigating the workplace.
- Discover how to use technology-driven and human-centred models to reimagine the future of work.
- Gain a thorough understanding of the trends influencing the future of work.
- Learn business transformation strategies to create a personal blueprint for a future-focused workplace.
- Connect with a diverse international group and expand your professional network.
- Gain access to the world-class faculty at Jesus College in the University of Cambridge and Phillips Consulting's cutting-edge thinking and insights.
- Certificate from the Intellectual Forum – Jesus College in the University of Cambridge.

**Date: 8-11 June 2026**  
**16-19 November 2026**  
**Location: United Kingdom**

# The Advanced Organisational Resilience Programme

Organisations at all scales and sectors face growing risk and organisational resilience challenges like never before. An ever-growing number of challenges, compounded by the speed of technological change, climate change, cyber threats and evolution, all act together to increase these challenges.

Building Organisational Resilience provides business leaders with a practical approach to assess and build organisational resiliency.

This programme provides cutting-edge strategies to fortify your organisation against disruptions and uncertainties, ensuring its continued growth and success. Our distinguished faculty of industry experts will guide you through a transformative journey, equipping you with the insights, tools, and leadership prowess to foster resilience, drive innovation, and seize opportunities in any scenario.

## What delegates will gain from our Advanced Organisational Resilience Programme

- Knowledge within strategic areas of resilience and business continuity
- The ability to communicate fluently across functional boundaries
- Credibility within the resilience profession
- Effective action-based outcomes to advance organisational strategies
- The ability to network across sectors to gain transdisciplinary knowledge

# The Leading Digital Transformation Strategy Executive Programme

To thrive while facing disruption at every turn, leaders must reinvent their companies again and again. Digital transformation strategies are no longer nice-to-have, they are required.

Digital transformation isn't solely reliant on adopting new technologies. It demands new ways of thinking about how business is done, who does the work, and the customer experience associated with it.

In this programme, delegates will gain the skills to develop and implement a digital strategy within your organisation. Drawing on insights from pcl. business faculty, industry leaders, case studies, and your peers, delegates will develop a robust understanding of digital cultures, foundations, and frameworks to craft their own transformational strategy.

**International Run Date:**  
**22-26 June, 30-4 November**  
**Location:** United Kingdom  
**Training Fee:** \$8,775

**Local Run Training Date:** 1-5 June, 14-18 September  
**Location:** Ibom Icon Hotel & Golf Resort  
**Training Fee:** N3,025,000

## What delegates will gain from our Leading Digital Transformation Strategy Executive Programme

- Explore digital disruption from the perspectives of strategy, organisation, and leadership for the long term.
- Strengthen your skills as a visionary leader by learning how to spot digital opportunities, develop strategies around them, and pitch them persuasively to key stakeholders.
- Shift your mindset from traditional thinking on product- or service-based value creation and competition to a platform and ecosystem perspective, and understand the new set of strategic choices and tradeoffs they represent.
- Deepen classroom learning and begin reimagining your business through daily faculty-led integration sessions.
